

When it comes to getting what he wants, Asher Barrington is a hammer who is known for crushing his opponents. From the moment Emily walks into his office and challenges him, winning takes on a whole new meaning. The only thing standing between Emily Harris and her goal to open a museum for the blind is an arrogant, sexy as hell billionaire, who thinks sleeping with her will not complicate the situation. He won't change. She won't back down. But together they sizzle.
