

Taking hikers to some of the most scenic sections of the fabulous Grand Canyon National Park, this book includes short descriptions and maps of seventeen easy day hikes in the park. Hikes in this book are fairly short, usually (but not always) without big hills, and are on well-defined, easy-to-follow trails. Fully updated and revised, this guide is the ultimate companion for those seeking a fun, easy, and scenic hike. This edition also comes with a beautiful map from the experts at National Geographic!
