

Annabelle Tucker is still reeling from last season's Endurance Island, when the man she loved played her for a fool. When producers ask her back for a new season it's the last thing she's interested in until she hears her ex, the gorgeous but duplicitous Kip, will be there. Revenge and a grand prize? Yes, please! But someone's there to throw a kink into her plans. Someone tall and cut, and with the sexiest gray eyes. Jendan Abercrombie's on an opposing team, but it doesn't mean that Annabelle can't lust after him, right? She'll just have to save all that lusting for post-show, when she's free to follow where her loins lead. When a tribal twist puts them both on the same team "naked" will Annabelle be able to resist his very apparent charms? Or will she have to vote Jendan out to save her game?
