

The DC Comics Super Friendsâ€™ Batman, Superman, and Green Lanternâ€™ show off their amazing powers as they rescue a high-tech space satellite in this colorful board book, perfect for little super heroes. A big meteor is heading right for an important communications satellite in orbit outside the Earth's atmosphere. If it hits the satellite, wireless communication all over the planet will be disrupted, including cell phone, Internet, TV, and weather. Lucky for the earth, Superman, Batman, and Green Lantern have a plan to save the satellite. The book's striking die-cut cover shows a group scene of the DC Super Friends. But as the reader turns the pages, the book reveals striking die-cut images that capture each hero in action.
