Save money, maximize your time, and choose what to do that's right for you! Disney's Hollywood Studios puts guests in the middle of the action in some of film history's most beloved scenes. The park is fully accessible, but the sheer range of disability accommodations can seem overwhelming. In this tour, a former Cast Member - Disney-speak for employee - will act as your personal guide, teaching you to navigate the park like a pro. You will learn tips and tricks for choosing the attractions that are right for you, saving money, and maximizing your time. Along the way, you will learn a bit about the past, present, and future of this incredible theme park.
