

For millennia, the dragons have watched the great events of the world unfold, nurturing and destroying entire nations when necessary, always guided by the Draconic Prophecy. Now Eberron's fragile peace is crumbling. Armies gather, and for the first time in generations, the dragons rise to war. At the center of it all, one man--the prophesied Storm Dragon--must learn to wield his extraordinary powers not only to save those he loves, but to keep the world from sliding into the chaos of never-ending war. This omnibus edition features a brand-new short story, Learning to Dream!
