

The world of Arkaria is a dangerous place, filled with dragons, titans, goblins and other dangers. Those who live in this world are faced with two choices: live an ordinary life or become an adventurer and seek the extraordinary. In the underground city of Saekaj Sovar, a tyrant sits up the throne. For too long, he has ruled the fates of the dark elven people without mercy or challenge. Until now. Terian Lepos, Janda Aimant and Aisling Nightwind are veterans of the guild Sanctuary who find themselves trapped in darkness of Saekaj, with danger and betrayal lurking around every corner. When the three of them find themselves pitted against forces trying to steer the course of Saekaj Sovar, who will end up triumphant? And who will end up dead?
