

This edition features the exact same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value—this format costs 35% less than a new textbook. This exciting, contemporary approach to World Regional Geography acknowledges the geographic changes that accompany today's rapid rate of globalization. The authors' unique approach gives you access to the latest ideas, concepts and theories in geography while also developing a strong foundation in the fundamentals of world regions, including a strong sense of place and an understanding of the connections within and between world regions. Globalization and Diversity is a briefer version of the popular Diversity Amid Globalization by the same authors.

PEN America Issue 11: Make Believe (PEN America: A Journal for Writers and Readers), Valley of the Kings, Meditations (Illustrated), Egypt and the Sudan; Handbook for Travellers, Beyond the Basics: Mosaics (Beyond the Basics (Sterling Publishing)),
