

While the Fae warriors help their people mourn the loss of Rowan, they struggle to survive the harsh, frozen lands they call home. The snow has blanketed the Middle World, leaving it a dormant wasteland. Still struggling from both the physical and emotional losses heâ€™s suffered, Uriah, the solid, elite Light Fae warrior, has withdrawn from his brothers as he searches for answers. Uriah must find his strength before the Dark strike again. Jelena has spent the past ten months as a prisoner. Having given birth to Uriahâ€™s baby in her brothersâ€™ domain, she knows the Underworld is no place to raise a child. Looking to Makyle for help, she may just give him what he needs to question all he has ever known. Curses, secrets and the Dark Fae all loom in the fourth installment of the Immortal Heart Series. Follow your favorite warriors as they fight to save what is left of their home, the people they love, and the new additions they never saw coming.
