

Kabbalat Shabbat: the Grand Unification: At the Sabbath Table is the smaller companion dinner-table version of Kabbalat Shabbat: the Grand Unification. This bencher style book, sold in sets of four copies, offers all the materials needed for the Friday evening Shabbat dinner, including the paintings and translations of the Sabbath table liturgy and customs, excerpted from the hardback version of Kabbalat Shabbat: the Grand Unification. These small books are perfect companions to the full illuminated book. Together, the bencher and the illuminated book enhance the Sabbath celebration of the spiritual and physical glories of Creation and the wonder of its physical embodiment as we now see it through the lens of modern science.
