

Jean-Baptiste Poquelin, dit Moliere, (1622-1673) est un dramaturge et acteur de theatre francais. Consideré comme l'ame de la Comedie-Francaise, il en est toujours l'auteur le plus joué. Impitoyable pour le pédantisme des faux savants, le mensonge des medecins ignorants, la pretention des bourgeois enrichis, Moliere aime la jeunesse qu'il veut liberer des contraintes absurdes. Tres loin des rigueurs de la devotion ou de l'ascetisme, son rôle de moraliste s'arrête là où il la défini: Je ne sais s'il n'est pas mieux de travailler à rectifier et à adoucir les passions des hommes que de vouloir les retrancher entièrement, et son but a d'abord été de faire rire les honnêtes gens. Moliere dispose d'un grand talent comique. Moliere partage, en 1661, le theatre du Palais-Royal avec la troupe de Domenico Biancolelli, dit Arlequin. Il presente Dom Garcie de Navarre qui est un échec et L'Ecole des Maris qui triomphe. La même année, Moliere emménage en face du Palais-Royal. Le 17 août il crée Les Facheux, sa première comédie-ballet.
