

Sir Thomas Malory, a knight of the fifteenth century, collected and compiled all the legends and songs surrounding the pre-Christian Welsh chieftain Arthur into a fascinating, rambling prose narrative, *Le Morte Darthur* (The Death of Arthur). Since then, it has inspired numerous authors and artists while becoming the principal source for today's notions of chivalry and the Knights of the Round Table. This book is a must-read for anyone with even a remote interest in Arthurian lore. This publication from Boomer Books is specially designed and typeset for comfortable reading.
