

Alternate Reality Romance, Part of the Divinity Universe Divinity Healers Book Three Beautiful, highly intelligent Linnea Nel wants what most women want—a career, love, respect. But coming from a plane where order and all things anti-chaos reign, the untrackable, untraceable and highly rebellious Linnea is considered a threat to her family, society and her world. When her numerous arrests for reading library books become a public embarrassment to her politically minded sister, Linnea is forced on a dignitary mission to an alternate reality. There are only two classifications of people on plane 187: Doctors and Not Doctors (Sans). Dr. Sam Swift is one of the highest ranking officials on the medical plane, answering only to the Medical Supreme. When the Medical Supreme becomes ill, it's up to him to find a cure. Nowhere in this equation is there room or time to fall in love. And then he meets the exquisitely frustrating Sans Linnea Nel. In the midst of the worst outbreak 187's society has faced in decades, two people who never should have met fall in love. How can Linnea stay where she may be in danger? But how can Sam let the love of his life go? Rating: Contains graphic sexual content, adult language, and violence. Novel intended for adults only. Must be 18 years or older to read
