

Why would Owen be terrified of Connie and Maggie, his two little nieces? Because he is about to be left alone with them. Owen thinks he is going to have to take care of his nieces by himself until Dan shows up. If Owen approves, Dan is ready to be the girls manny. Right from the start, Dan is a big help and an even bigger temptation. And Owen isn't the only one being tempted. When he was younger, Dan had a crush on Owen. Now that he is living with him, Owen has never looked hotter. The crush is back in full force. Too bad Dan isn't the kind of guy Owen is into. But even a hint that he is interested might spur Dan to make a move. Unfortunately, Dan is bringing trouble with him, and he doesn't even know it. When Owen becomes a target, will Dan be there in time to save him? 43,000 words Mature content
