

The second book in the Holy Trinity Trilogy: After escaping a worldwide apocalyptic plague that transformed most of humanity into flesh eating monsters, Trinity found sanctuary with a band of roving Gypsies who possessed incredible powers the likes of which shed never seen before. After a brutal attack on camp and a life changing transformation shed never seen coming, the clan abandoned her; left her alone in a world where the only thing certain is death. Her power unstable, her future unknown, Trinity fights to keep breathing, to keep her sanity and to find her destiny. \*\*\* Note to readers: The gypsy cultures, traditions, languages, and lifestyles depicted in this novel have been altered to reflect the authors imagination, and are not intended as a depiction of real-world gypsies. No gypsies were harmed in the production of this novel.
