

Rowe is a paranormal star! ~J.R. Ward \*Note: this is a full length novel approximately 350 pages in length. An ancient vampire has hunted Jordyn Leahy since she was a child, haunting her sleep, demanding her soul and her flesh. After decades of silence, he has returned to ruthlessly claim the woman who once denied him. Bold and arrogant, loner Eric Hunter allows himself to care about nothing, except his missing brother. He will not stop until he finds him, even if it means teaming up with the bold, sensual woman who awakens in him the dark cravings he has denied for so long. As the deep of night closes in, Jordyn and Eric must fight the battle of their lives, in a quest for survival in a world where hunger rules, desire destroys, and eternity means no second chances.
