

Reporter Julie Buckles tells the story of a year-long canoe honeymoon traveling the Voyageur Highway from Lake Superior to Wollaston Lake where she and husband Charly Ray stayed for the winter. Filled with humor, love, adventure, and as one reviewer notes -- characters worthy of a Coen Brothers film. The book is action-packed and lively, and the journey is incredible. -- Laurie Hertzell, Star Tribune. 2014 Next Generation Indie Book Award, Action/Adventure 2014 IPPY Bronze Award Winner, Regional - Canada-West 2014 Winner of the Eric Hoffer da Vinci Eye Award for best cover design
