FOREWORD The Private Pilot - Airplane Practical Test Standards book has been published by the Federal Aviation Administration (FAA) to establish the standards for the private pilot certification practical tests for the airplane category and the single-engine, land and sea; multiengine, land and sea classes. FAA inspectors and designated pilot examiners shall conduct practical tests in compliance with these standards. Flight instructors and applicants should find these standards helpful during training and when preparing for the practical test. INTRODUCTION The Flight Standards Service of the FAA has developed this practical testbook as a standard to be used by FAA inspectors and designated pilot examiners when conducting pilot practical tests. Flight instructors are expected to use this book when preparing applicants for practical tests.
