

Youâ€™re never too young to learn the language of money! and the lessons that rich dad taught Robert. Like it or not, money is a part of our everyday lives and the more we understand it, the better the chance that we can learn to have our money work hard for usâ€™ instead of working hard for money all our lives. That starts with learning the language of money. This book, created from the international bestseller Rich Dad Poor Dad, shares Robertâ€™s inspiring personal story but teaches how to make smart choices. Packed with straight talk, sidebars, and quizzes, this book will jumpstart a childâ€™s personal and financial success by teaching: How to speak the language of money, ways to make money work for you, tips for success (including: â€œWork to learn, not to earn.â€), and why games can help you understand money, investing, and ways to choose your best path to financial freedom.
