

In the short span of a year, Silver has gone from becoming a Mage to discovering the truth about her unique genetics. Logan Cross went from being her mortal enemy to becoming her immortal lover, but a threat is fast approaching like an inevitable storm. Attacks are under way against the Mageri, and one man is behind it - an elusive foe who is an unstoppable force. Nero is not Silver's only concern, as someone close to her has been arrested for treason. In the midst of chaos, Silver discovers that she cannot protect everyone from the wrath of fate, including her own Guardian. Justus finally opens his heart, but an unexpected turn of events could darken his soul forever. Secrets are revealed that will leave listeners reeling from one twist to the next. Would you sacrifice everything for love?
