

From the author of the bestselling Ruthless People series, a contemporary story about the transcendent power of love! When twenty-four-year-old Felicity Harper is dragged to a sugar party, an event where wealthy men and women seek companionship, she never expects this one simple decision to drastically change her whole life. Her past is nothing but broken dreams and heartache. Her present is detached and dull. And her future? Well, before meeting Theodore Darcy, the famed film director, writer, producer and CEO of Darcy Entertainment, she would have expected more of the same. Love is just a fantasy and she wants no part of it—even if she can't deny the magnetic attraction between the two of them. So their arrangement is simple: sex with no strings attached. But as their intimacy becomes more powerful, so do Felicity's demons. Can Theo really shoulder her past and his own? And could Felicity even let him?
