

A mesmerizing and thrilling novelâ€”perfect for fans of Tana French and Stieg Larssonâ€”that introduces a modern, unforgettable rookie cop whose past is as fascinating and as deadly as the crimes she investigates. **Â NAMED ONE OF THE BEST BOOKS OF THE YEAR BY** The Boston Globe â€¢ The Seattle Times **SHE KNOWS WHAT ITâ€™S LIKE...** .**Â** At first, the murder scene appears sad, but not unusual: a young woman undone by drugs and prostitution, her six-year-old daughter dead alongside her. But then detectives find a strange piece of evidence in the squalid house: the platinum credit card of a very wealthyâ€”and long deadâ€”steel tycoon. What is a heroin-addicted hooker doing with the credit card of a well-known and powerful man who died months ago? This is the question that the most junior member of the investigative team, Detective Constable Fiona Griffiths, is assigned to answer. **Â** But D.C. Griffiths is no ordinary cop. Sheâ€™s earned a reputation at police headquarters in Cardiff, Wales, for being odd, for not picking up on social cues, for being a little overintense. And thereâ€™s that gap in her past, the two-year hiatus that everyone assumes was a breakdown. But Fiona is a crack investigator, quick and intuitive. She is immediately drawn to the crime scene, and to the tragic face of the six-year-old girl, who she is certain has something to tell her ... something that will break the case wide open. **Â** Ignoring orders and protocol, Fiona begins to explore far beyond the rich manâ€™s credit card and into the secrets of her seaside city. And when she uncovers another dead prostitute, Fiona knows that sheâ€™s only begun to scratch the surface of a dark world of crime and murder. But the deeper she digs, the more danger she risksâ€”not just from criminals and killers but from her own past ... and the abyss that threatens to pull her back at any time. Praise for *Talking to the Dead* **Â** *â€œGritty, compelling ... a procedural unlike any other you are likely to read this year.â€•â€œ* USA Today **Â** *â€œWith Detective Constable Fiona â€”Fiaâ€™ Griffiths, Harry Bingham ... finds a sweet spot in crime fiction ... think Stieg Larssonâ€™s Lisbeth Salander ... Denise Minaâ€™s â€”Paddyâ€™ Meehan [or] Lee Childâ€™s Jack Reacher... . The writing is terrific.â€•â€œ* The Boston Globe **Â** *â€œThe mystery-thriller genre is already so staffed with masterminds that itâ€™s hard to make room for another. But along comes a book like *Talking to the Dead*, and suddenly an unadvertised opening is filled... . [This] has the feel of something fresh and compelling.â€•â€œ* New York Daily News **Â** *â€œA stunner with precision plotting, an unusual setting, and a deeply complex protagonist ... We have the welcome promise of more books to come about Griffiths.â€•â€œ* The Seattle Times **Â** *â€œRecommended highly ... [a] riveting procedural thriller.â€•â€œ* Library Journal (starred review) From the Hardcover edition.
