

An American Library Association Notable Book When he proposed to his girlfriend, Tom Zoellner gave what is expected of every American man--a diamond engagement ring. But when the relationship broke apart, he was left with a used diamond that began to haunt him. His obsession carried him around the globe; from the blood diamond rings of Africa; to the sweltering polishing factories of India; to mines above the Arctic Circle; to illegal diggings in Brazil; to the London headquarters of De Beers, the secretive global colossus that has dominated the industry for more than a century and permanently carved the phrase A diamond is forever on the psyche. An adventure story in the tradition of Susan Orleans The Orchid Thief, The Heartless Stone is a voyage into the cold heart of the worlds most unyielding gem.
