

Revolutionary France, 1793. When Calvin Tarkington, a young Boston merchant-trader, arrives in Paris on July 4th, he finds a city in turmoil, riven by quarrels between revolutionary factions and threatened by advancing Coalition armies. Calvin's brother Alexander, the family firm's representative in France, has disappeared, suspected by a powerful Jacobin official of spying for the British. As Calvin seeks to clear his brother's name, his quest for the truth takes him from elegant townhouses to squalid gambling dens to the secret chambers of the Masonic Lodge of the Seven Sisters. Drawn into a shadowy world of intrigue and betrayal, Calvin becomes the hunted as France lurches toward the Reign of Terror. Rich in historical detail and suspense, *The Republic of Virtue* tells a compelling story of love, courage, and loyalty set in a dangerous place at a dangerous time—the darkest days of the French Revolution.

The Talking T. Rex (A to Z Mysteries), Phineas Finn (The Irish Member, Volume I), The Literary Remains of Samuel Taylor Coleridge: The Fall of Robespierre. Poems. a Course of Lectures.
