

This is the 2nd edition of Vegetarian Nosh for Students. This edition has a completely new layout, new photography and includes 30% more recipes. Originally a sequel to a book inspired by the authors son, Ben, leaving for university, who was clueless in the kitchen. Toasted sandwiches and Mars Bars were his staple diet, but these didnt serve him too well! What was needed to encourage him to cook was an easily attainable taste of home, oh, and pictures with every recipe! Nosh for Students was born. Since then, Joy has helped over 150,000 students get cooking with her straightforward and simple approach. Joy helps to take the chore out of cooking, giving students a taste of success and making the experience so much fun. Voted Best Overall Winner of vegetarian student cookbooks by student-testers at The Vegetarian Society, August 2007.
